Madlyn, Joe:

We have reviewed the production Kaye Scholer made on Monday, and concluded that LBHI has a sufficient basis to move for summary judgment. To that end, attached is a draft of our proposed briefing schedule. As you will see, the proposed schedule allows LBHI 5 weeks from today to file its brief, SBS 5 weeks to respond, and LBHI 3 weeks to reply. This would allow the motion to be heard on September 9.

If SBS agrees to the proposed schedule, please sign it and send it back to us. Otherwise, please provide us with your comments. Thank you.

Regards,
Denise
